

SUMMARY for the Proposed STANDARD OF CONDUCT: The WBCCI Articles of Incorporation permit a “Standard of Conduct”. This proposal incorporates the essence of the Code of Ethics into a Standard of Conduct that provides guidance for members to proudly represent WBCCI through their actions. This gives the approval of the Standard of Conduct to the vote of the members. Any future amendment would therefore be by a vote of the members.

SUMMARY for the Proposed ARTICLE XV: This Article requires that the Bylaws and Policies be consistent with the Constitution. The IBT needs time to bring the Bylaws and Polices into compliance with the Constitution therefore a proviso is necessary. This authorizes the IBT to make Bylaws and Policies not inconsistent with the Constitution and the Standard of Conduct. The power to change the Constitution and the Standard of Conduct remains only with the Membership. Powers to interpret and amend the Bylaws and policies will be addressed in the Bylaws.

PROVISO for Article XV if adopted: The IBT shall have until the adjournment of their second meeting after the adoption of this Constitution to revise the Bylaws and Policies to bring them into compliance.

SUMMARY for the Proposed ARTICLE XVI: This more clearly defines consistent steps and timelines to put a proposed amendment before the membership for their direct consideration. It also allows the Area Board to propose amendments if they deem necessary after discussion at an Area meeting of the need for change in the Constitution and/or Standard of Conduct. It clarifies that the membership is responsible for the Standard of Conduct. The timeline for a proposed amendment will be shorter than the current procedure if it is coming from a Unit, the same if coming from the International President, longer if coming from an Area (unless they have a special meeting which would have to be in their Bylaws) or the IBT.
